

In the Quiet of the Night or Day

Long ago, in Bethlehem's stillness, Jesus came quietly—not with fanfare, but in humility and peace. His arrival brought the greatest gift: life, hope, and salvation for every soul. In that quiet moment, eternity changed. Today, volunteers like all of you serve in the same spirit. They arrive early, stay late, and give quietly offering time, compassion, and care. Their impact is extraordinary. Like Jesus, they bring hope and dignity to those around them. Both acts—Christ's coming and our volunteers' service—are rooted in love. One gave His life to save ours; the other gives their lives to serve others. In these quiet moments, the world changes for the better.

Thank you for all you do for His Kingdom and to make the impact shown below possible ~ In Christ, Lee Ann
